OFFICE OF THE MAYOR

June 22, 2015

On behalf of the residents of Shawnee, I would like to welcome all of those involved with the Ride 2 Freedom Bike Tour to our community.

It is inspiring to see so many young people involved in such a worthy cause. I have great admiration for those give their time and energy to fight for the rights of others so that they may freely and openly practice their religion.

Thank you for your efforts and always know that your work is making a difference. I wish all the riders a safe and productive journey as they make their way to Washington D.C.

Sincerely,

Michelle Distler
