State Senator
8th District

Dear Mr. Chen,

I want to congratulate you for undertaking the grueling 3,000-mile journey across the country in order to raise awareness about the persecuted people of China. Your efforts will not be forgotten and your actions are extremely noble. It is a great opportunity that you and your fellow cyclists are providing a spotlight to all the injustices that are occurring in China. Therefore, I wish you support in all your future endeavors and I wish you great success.

Sincerely,
