Dear Jasmina,

Thank you for the information that you have provided me about the Ride To Freedom which you are participating in along with 25 other youth from all over the world. I understand the purpose of the ride is to bring attention to the persecution of people practicing Falun Gong and to rescue five children orphaned in China. Good luck on your ride and I hope the attention the ride brings will provide you with an opportunity to achieve your objective.

Most Sincerely,

Mark Stodola
Mayor
